To increase conservation and comply with statewide conservation mandates, MNWD implemented the first two stages of its

### **WATER SHORTAGE CONTINGENCY PLAN:**

## **STAGE 1 YOU NEED**

**STARTING**

**JUNE 1, 2015**

to reduce your water use and stay within your water budget\*

## **STAGE 2 YOU MUST**

**STARTING**

**JULY 1, 2015**

remain within your water budget or pay up to \$9.04 for every billing unit of water used in excess of your water budget\*

\*Additional restrictions are mandated at each stage. Contact MNWD or visit our website for more details.

**Remember to monitor your water use each month to help you live within your budget.**
